Radnor Township School District is a school district that serves Radnor Township, Pennsylvania and has 3 elementary schools, one middle school, and one high school. Due to the personal wealth of the Main Line (of which the Radnor Township School District is a part of) many locals place their children in expensive private schools though those that do put their children in the Radnor Township School District generally do so for its reputation as an excellent school district, as it has several blue ribbon schools.Schools
